Just had my master bathroom redone with empedora light slab for the tub and vanity surfaces, and 12 x 12 tiles in the shower. 16 x 16 honed torreon travertine for the bathroom floor. Grout is 1/8 non sanded. What would be a good sealer for the surface and grout, plus regular maintance care products? Thank you, Kathryn

Dear Kathryn:

â€œWhat would be a good sealer for the surface and grout â€•

None.

â€œplus regular maintance care products? â€•

By logging into the Helpful Hints section of our website at: http://www.mbstone.com/HH_promo/helpful_hints.htm, you will be able to get the short version of our maintenance guidelines at no charge. The full version of it â€• a 7-page document considered by many as an industry benchmark â€• is available in pay- per-download format in our Educational Literature section at: <http://www.mbstone.com/literature/literature.htm>.

And remember, every single penny of the cost of the literature will be used to support this site and its cause: **your** cause.

While you are in the â€œHelpful Hintsâ€• section, do spend some time reading all of the interesting FREE articles you'll find in there!

Finally, keep in mind that we need your support to help us helping you!

Will you please read and e-sign our Statement of Purpose at: <http://www.marblecleaning.org/purpose.htm>?

By spreading the word about this valuable site among your friend & family and the stone trades' people you've been dealing with, you will be rendering everybody a valuable service!

Thank you

Ciao and good luck,

Maurizio Bertoli
