

Onyx Floor Tiles

Authored by: **Maurizio Bertoli** [mailto:mail@mbstone.com]

Saved From: <https://marblecleaning.org/knowledgebase/article.php?id=1080>

Just had problems with a marble floor and scratching. Is onyx another problem floor tile (i.e. easily scratches) or is it more durable? It looks so rich and dimensional that I would love to have this installed, but worry about how it would hold up.

Dear Carol:

Onyx marble is not going to hold up any better or any worse than any other marble.

May I ask you now to please read and e-sign our Statement of Purpose at: <http://www.marblecleaning.org/purpose.htm>
