

White Thassos marble in a shower stall

Authored by: **Maurizio Bertoli** [mailto:mbstone.com]

Saved From: <https://marblecleaning.org/knowledgebase/article.php?id=1085>

Against the advise of all, I installed thassos marble tile in all of my showers. Should I seal it? How should it be cleaned? Thanks Brook

Dear Brook:

First you install it and then you ask me if you should seal it.

You should have asked me how it should be installed *before* the installation. That's important, not some sealer!!

There's nothing wrong with White Thassos in a shower stall. However, you've obviously heard horror stories about it, if everybody and his uncle were advising you against it.

Why?

Because it was not installed right, that's why!

White Thassos doesn't need to be sealed inside a shower stall. As for routine care, By logging into the Helpful Hints section of our website at: http://www.mbstone.com/HH_promo/helpful_hints.htm, you will be able to get the short version of our maintenance guidelines at no charge. The full version of it â€” a 7-page document considered by many as an industry benchmark â€” is available in pay-per-download format in our Educational Literature section at: <http://www.mbstone.com/literature/literature.htm>.

And remember, every single penny of the cost of the literature will be used to support this site and its cause: **your** cause.

While you are in the â€œHelpful Hintsâ€” section, do spend some time reading all of the interesting FREE articles you'll find in there!

Finally, keep in mind that we need your support to help us helping you!

Will you please read and e-sign our Statement of Purpose at: <http://www.marblecleaning.org/purpose.htm?>

By spreading the word about this valuable site among your friend & family and the stone trades' people you've been dealing with, you will be rendering everybody a valuable service!

Thank you

Ciao and good luck,
