We are redoing our pool in NJ. how is granite for the coping? Versus blue stone? Thank you

Dear Rina:

Flamed granite (if it is the right "granite" but it usually is: they typically flame good stones) is indeed a great choice. Certainly better than bluestone for your purpose.

May I ask you now to please read and e-sign our Statement of Purpose at: <http://www.marblecleaning.org/purpose.htm>
