

# Granite Odor

Authored by: **Maurizio Bertoli** [mailto:mbstone.com]

Saved From: <https://marblecleaning.org/knowledgebase/article.php?id=1206>

---

I just built a new house with granite counter tops throughout. No matter how much my wife cleans the kitchen, there is a musty smell that seems to be coming from the granite. It seems to be more noticeable after they are washed. Have you ever ran across anything like this?

Dear Michael:

œ Have you ever ran across anything like this? œ•

Quite frankly, no: I never even heard of something like that.

It would be interesting getting to know what kind of stone you have, though! J

May I ask you now to please read and e-sign our Statement of Purpose at: <http://www.marblecleaning.org/purpose.htm?>

Ciao and good luck,

Maurizio Bertoli
