

Placing stone treads on existing concrete porch steps

Authored by: **Maurizio Bertoli** [mailto:mail@mbstone.com]

Saved From: <https://marblecleaning.org/knowledgebase/article.php?id=1276>

What stone would you recommend for treads on an existing concrete porch. They have to be able to withstand Canadian winters...snow, ice, etc.

Dear Lily:

Flamed or bush-hammered granite.

May I ask you now to please read and e-sign our Statement of Purpose at: <http://www.marblecleaning.org/purpose.htm>
