Hi I emailed you a few weeks ago and downloaded the info on granite countertops. Very helpful.. I have visited 3 places and have narrowed choices to Giallo Ornamental, santa cecilia and venetian gold. I tried to stay away from the light colors but with dark cherry cabinets and a small kitchen I didnt have much choice. You said to let you know when narrowed and you would advise as to which you would recommend. Also if you know any reputable granite yards even up to 3 hours away I would drive. Maybe NJ I live in Scranton Pa. I already went to All Marble in Stroudsburg, Eastern in Allentown, Pa and IMG in Whitehall Pa thank you for all your help. I need it as I am driving everyone crazy. Marilyn

Dear Marilyn:

The 3 stones that you listed could all be excellent choices providing that are of a good-grading and that there were properly resined by the factory. That is why it is paramount that you go and pick out the slabs with you fabricator. He or she will help you finding the right slab.

May I ask you now to please read and e-sign our Statement of Purpose at: <http://www.marblecleaning.org/purpose.htm>
