Q. We have a reddish, rust colored stain that is spreading on our patio, slate floor. We attempted to clean it with dishwashing liquid and water but did not impact the stain. Appreciate suggestions of how we could clean this and products to use.

A. Hi Folks- Sorry for the delay.

I will need more info to answer your question.

Please feel free to call me at 888-400-4302 anytime.

Stu Rosen
