Q. We are getting our counter tops redone in a new house we bought here in albuquerque we wanted to get the black granite they called in absolute black but i read some horror stories on a website what is the best thing to do to make sure we are getting a good deal

Hello Vernon,

Do the lemon test on a sample piece.

I cant stress how important it is to work with a bona fide fabricator. Get references and check them out.

Period.

Stu Rosen
