Q.I have been laying tiles and in particular stone for over19 years.I have found it increasingly expensive to hire my regular polisher and he is also unreliable.I was hoping to obtain as much information as possible relating to the procedure to grind and polish marble , granite and travertine. Also where i can purchase the polishing machines.Any information you could provide me would be greatly appreciated.I live in Sydney.
Hello- I suggest you get in touch with Reg Pinto. He is in perth where he runs his stone restoration business and training center. He is MB Stonecare Australia.

You will be glad you did.

He can be reached at www.thestonedoctor.com.au or call his office at 08 93025919.
