---

Q.I had granite installed in a new home may 09. my island which has a sink in it, has started to look yellow. i know in sunlight it can turn the resin, but i am surrounded by trees, not much sunlight comes into the house. could halogen can lights cause anything like this?

A. Hi- need to know what type of granite is your island.

You can call us at 888-400-4302
