

REMOVING BACKSPLASH

Authored by: **Maurizio Bertoli** [mailto:mail@mbstone.com]

Saved From: <https://marblecleaning.org/knowledgebase/article.php?id=414>

Hello, I have a tumbled marble backsplash in my kitchen on the diagonal. The way it was put in look to lined up and bunchy colors. How can I remove certain tiles and then replace them. I appreciate any help you can give me. Thank you

Dear Shelly:

Can I remove certain tiles and then replace them.

Of course you can. Better said: of course a professional tile setter can! J

May I ask you now to please read and e-sign our Statement of Purpose at: http://www.marblecleaning.org/purpose.htm?_J

Ciao and good luck,
