Maurizio, that is an Italian name. I am looking for granite tiles with the nose and built for a countertop which means 2 tiles lengths have to be 25 1/4 wide. would you know if there is someone that has such tiles. Thank you very much regards angelo clemente

Dear Angelo:

Yes, sono Italiano alright!...

I doubt that you're ever going to be able to find what you're looking for. Tiling a countertop with natural stone tiles implies cutting them to size, and also shaping and finishing the edges with the appropriate means and techniques. Hardly a DIY project, I'm afraid! L
