I am looking for a good granite supplier installer on Cape Cod. Are there any installers in this area that you would recommend?

Dear Pat:

I don't know anybody in that area. However, we have available a very comprehensive article on "How to Shop for a Granite Kitchen Countertop" that will give you all the intelligence you need to venture yourself with confidence in the stone industry jungle, and it includes the world renowned "Lemon juice (and oil) test"! It does carry a small price tag, and you can order it by logging on the Educational Literature section at:

<http://www.marblecleaning.org/literature.htm>. It's available in pay-per-download format and I consider it a cheap "insurance premium" to pay when there are thousands of \$ involved! Not to mention the little and much needed support you'd be giving to the cause, **your** cause, since every single penny of the cost of the article will be used to support it.

Also, will you please read and e-sign our Statement of Purpose at: <http://www.marblecleaning.org/purpose.htm>? By spreading the word about this valuable site among your friends & family and the stone trades' people you've been dealing with you will be rendering everybody a valuable service!

Also, do take advantage of the plethora of FREE Helpful Hints available at:  
<http://www.marblecleaning.org/helpful-hints.htm>. They're on the house!

Thank you.

Ciao and good luck,

Maurizio Bertoli
