I have cultured marble in my bathroom sinks. how do you clean?? i have stone floor and stone showers--how do i clean?? thanks for your help

Dear Robin:

Cultured marble is manmade plastic material. I don't know much about it, but it is my understanding (it's only hearsay, mind you) that any cleaning proudct off the shelves of the supermarket will do.

As for the rest of your question concerning real natural stone, by logging into the Helpful Hints section of our website at: <http://www.marblecleaning.org/helpful-hints.htm>, you will be able to get the short version of our maintenance guidelines at no charge. The full version of it â€” a 7-page document considered by many as an industry benchmark â€” is available in pay- per-download format in our Educational Literature section at: <http://www.marblecleaning.org/literature.htm>. And remember, every single penny of the cost of the literature will be used to support this site and its cause: **your** cause.

While you are in the â€œHelpful Hintsâ€• section, do spend some time reading all of the interesting FREE articles you'll find in there!

Finally, keep in mind that we need your support to help us helping you!

Will you please read and e-sign our Statement of Purpose at: <http://www.marblecleaning.org/purpose.htm?>

By spreading the word about this valuable site among your friend & family and the stone trades' people you've been dealing with, you will be rendering everybody a valuable service!

Thank you

Ciao and good luck,
