Can you put "wet look" seal on mosaics? Can you put "wet look" seal on polished natural stone?

Dear Sandra:

If the installations you would like to enhance get darker when they are wet, then the answer is, yes. If not, the answer is, no. There's no sure rule for that.

May I ask you now to please read and e-sign our Statement of Purpose at: <http://www.marblecleaning.org/purpose.htm> ? J

Ciao and good luck,
