

Honed rainforest marble for shower

Authored by: **Maurizio Bertoli** [mailto:mbstone.com]

Saved From: <https://marblecleaning.org/knowledgebase/article.php?id=656>

Is there any reason why it is not a good idea to use a honed rainforest marble for a shower application?

Dear Olga:

Nope, no reason whatsoever that I can think of.

That is, providing that it gets installed right and that you learn how to take good care of it.

But those recommendations have nothing to do with the stone itself, which has to be considered a "good guy".

By logging into the Helpful Hints section of our website at: <http://www.marblecleaning.org/helpful-hints.htm> , you will be able to get the short version of our maintenance guidelines at no charge. The full version of it " a 7-page document considered by many as an industry benchmark, and which includes priceless tips on how to properly install a natural stone shower stall " is available in pay-per-download format in our Educational Literature section at: <http://www.marblecleaning.org/literature.htm> .

And remember, every single penny of the cost of the literature will be used to support this site and its cause: **your** cause.

While you are in the "Helpful Hints" section, do spend some time reading all of the interesting FREE articles you'll find in there!

Finally, keep in mind that we need your support to help us helping you!

Will you please read and e-sign our Statement of Purpose at: <http://www.marblecleaning.org/purpose.htm> ?

By spreading the word about this valuable site among your friend & family and the stone trades' people you've been dealing with, you will be rendering everybody a valuable service!

Thank you

Ciao and good luck,

Maurizio Bertoli
