

Toning down White Carrara marble

Authored by: **Maurizio Bertoli** [mailto:mail@mbstone.com]

Saved From: <https://marblecleaning.org/knowledgebase/article.php?id=662>

Hallo M., Could you suggest anything that would be good for toning down the new Carrara marble tiles?
Thanks! Milutin

Dear Milutin:

I'd really love to suggest you something. And, perhaps, if you'd try to explain to me the meaning of "toning down" in relation to marble, I would even be able to do so! J

Until then!

Ciao and good luck,

Maurizio Bertoli
