---

I can't find the answer to this anywhere. Can I safely put hot pots and pans directly on the honed carrara marble countertop? It seems like I should be able to but I'm afraid to take the chance. Thanks

Dear Sherron:

Theoretically, you could.

Personally?...

I wouldn't.

May I ask you now to please read and e-sign our Statement of Purpose at: <http://www.marblecleaning.org/purpose.htm>
