

Black Honed Granite Countertop

Authored by: **Maurizio Bertoli** [mailto:mail@mbstone.com]

Saved From: <https://marblecleaning.org/knowledgebase/article.php?id=751>

We just installed a black honed countertop in our kitchen totally aware of the high maintenance.

Question...how often can it be enhanced? Thanks

Dear Ellen:

Every time it needs to.

I mean: you've got eyes to see, right?... :-)

Of course, it much depends on the products that you will be using for routine care, which - as it should be intuitive - are vastly more important than the sealing / color-enhancing.

May I ask you now to please read and e-sign our Statement of Purpose at: <http://www.marblecleaning.org/purpose.htm>
