Maurizio, can you tell me the basic differences between carrera and statuary marble. When would use one over the other. ? Thanks

Dear Penny:

There's no difference. They are both coming from the same quarries. Statuary White is a just the top selection of White Carrara marble, the one that Michelangelo used to use for his masterpieces.

Being that they are the same stone, there's no difference in their applications.

May I ask you now to please read and e-sign our Statement of Purpose at: <http://www.marblecleaning.org/purpose.htm> ?

Ciao and good luck,
